

# Could Abortion Be Challenging Christian Values and Encouraging Immorality Behind the Scenes?

Sixbert SANGWA • April 26, 2024

In our increasingly secular society, many Christians are being led astray by seemingly innocuous ideologies that, upon closer examination, are designed to undermine the tenets of Christianity. One of these is the strategy purportedly attributed to [Alice Bailey's ten-point plan](#), known as the Illuminati's strategies: *"If sex is free, then make abortion legal and easy."* This post will explore this covert strategy, its implementation, and how it has been embraced, serving as a warning for Christians to remain vigilant.

## The Strategy: Making Abortion Legal and Easy

The strategy, succinctly put, is to *"Build clinics for abortion. Health clinics in schools. If people are going to enjoy the joy of sexual relationships, they need to be free of unnecessary fears, such as unwanted pregnancies."* This ostensibly liberating approach conceals a sinister agenda: to make abortion not only readily accessible but sometimes coercively imposed, thereby promoting sexual immorality. Governments worldwide have succumbed to pressures, legalizing this practice. While it is presented as a means of reproductive choice, it is, in reality, a tool of population control, coupled with the widespread dissemination of contraceptives.

## The Implementation: A Culture of Convenience

In line with this strategy, reasons such as involuntary pregnancy and sexual abuse have been introduced to validate this clandestine concept. This strategy has been implemented insidiously, stripping individuals of their confidence in conceiving and fostering a culture where terminating pregnancies is seen as a convenient solution. Advocates tout abortion as a painless and facile remedy for unwanted pregnancies, epitomizing the ethos of the New Age movement. The fear of unwanted pregnancies has been magnified, overshadowing the fear of sin and God.

## The Fallout: Christian Complacency

Sadly, many, including Christians, have embraced this agenda, living in oblivious complacency. In fact, many churches have even endorsed abortion, distorting Scriptures to argue in favour of this practice. As we reach the climax of apostasy, with the church at the eve of the rapture, it is crucial to awaken to this reality. It is unfortunate that many unsuspecting Christians are progressively falling into the trap of new age ideologies such as this.

## The Divine Will vs New Age Ideologies

Despite the acceptance of such practices, these stand in stark contrast to the divine will. [Jeremiah 1:5](#) affirms, *"Before I formed you in the womb I knew you, before you were born I set you apart."* This verse emphasizes the sanctity of each unborn child, a precious creation of God, endowed with intrinsic value and purpose. Similarly, [Psalms 139:13-18](#) underscores the divine craftsmanship involved in our formation: *"For you created my inmost being; you knit me together in my mother's womb... My frame was not hidden from you when I was made in the secret place."* To align with God's righteousness, we must vehemently oppose the scourge of abortion and champion the sanctity of human life from conception to natural death.

## Preparing the Way for the Antichrist

Promoting abortion and encouraging sexual immorality are abominations that are preparing the way for the Antichrist. [Daniel 9:27](#) mentions that *"the destroyer will come on the wings of abominations."* As Christians, we must understand that these malicious strategies are part of a larger spiritual warfare, setting the stage for the destructive agenda of the enemy.

## Conclusion

As we stand at the eve of the Church Rapture, it is a dire necessity for Christians to remain vigilant and discerning. The issue of abortion is not merely a political or social debate; it is a spiritual battle highlighting the conflict between God's divine plan and the destructive agenda of the enemy. As Christians, we are called to uphold the sanctity of life, demonstrating love and compassion for both the born and the unborn, as we anticipate the imminent return of our Lord Jesus Christ.
